Welcome to the first webinar in our 2012 -13 webinar season and the first we are offering under our new name, **Youth Catalytics** (formerly New England Network for Child, Youth & Family Services). Our 2012-13 webinar season promises to be an exciting one and we are proud to launch it with this webinar focused on engaging private foundations to secure funding. As always, we are open to suggestions for future webinars and encourage you to send your ideas to the contact below. Thank you for your continuing support and enjoy your webinar!

How to Win a Grant from a Private Foundation

Wednesday, October 31, 2012

11:30 AM to 12:45 AM Eastern Daylight Time

Although private foundations continue to increase in number and variety across the country, and although they are giving out record-breaking sums of money to nonprofits in all fields, competition for those dollars has never been fiercer. This webinar focuses on how to approach foundations to develop relationships that may lead to financial support for your organization. Please visit our [Events page](#) for a full description of the webinar and its learning objectives.
